ORDER

This matter is before the court on the oral motion of the government for an extension of the discovery deadline and pretrial motion deadline. The motion was made during the arraignment on the Indictment on September 17, 2014. The defendant, Hans Schroeder, acknowledged the additional time needed for the motion would be excluded under the calculations under the Speedy Trial Act. The oral motion was granted.

IT IS ORDERED:

1. The motion for an extension of time is granted. Discovery shall be completed **on or before October 8, 2014**. The parties shall have **to on or before October 23, 2014**, in which to file pretrial motions in accordance with the progression order.

2. The ends of justice have been served by granting such motion and outweigh the interests of the public and the defendant in a speedy trial. The additional time arising as a result of the granting of the motion, i.e., **from September 17, 2014, and October 23, 2014**, shall be deemed excludable time in any computation of time under the requirement of the Speedy Trial Act for the reason counsel require additional time to adequately prepare the case, taking into consideration due diligence of counsel, and the novelty and complexity of this case. The failure to grant additional time might result in a miscarriage of justice. 18 U.S.C. § 3161(h)(7)(A) & (B).

DATED this 17th day of September, 2014.
